Reid Street Construction with Lane Closures – East of Fourth Street

Contractor – Jossart Brothers

Overall Project Description – A damaged hydrant is being replaced at the southeast corner of Reid Street at Fourth Street. The roadway will need to be excavated within the parking lane to allow for the hydrant replacement work to be completed. Traffic may be reduced to one lane at this intersection to allow for work to be completed.

Weekly Update:

Work is anticipated to be completed on Monday, May 13.
