

OPEN BOOK & BOARD OF REVIEW

Open Book Overview:

Property owners who disagree with their assessment are encouraged to attend the Open Book meeting where they can personally discuss it with the appraiser who set the value. After talking with the Assessor's office, owners who still feel that the value of their property is overstated can make arrangements to appear before the Board of Review. These meetings are scheduled to take place in May and June (see meeting information below).

Board of Review Overview:

The Board of Review is a statutory body that consists of citizen members that has the responsibility of hearing objections to property valuations assigned by the assessor.
